YEAR 2

Dear Parent / Caregiver,

You are invited to join the Student Resource Scheme (SRS) for 2022. The scheme will operate under the Policy and Guidelines of the Department of Education and Training FNM-PR-018: Student Resources Scheme.

You are under no obligation to join however, please be aware that books, materials and consumables required under this scheme are **not funded by school grants**. Therefore if you do not wish to join the scheme you are still responsible for providing your child/ren with the items that would otherwise have been provided by the scheme as detailed in the list below, to enable your child/ren to engage with the curriculum. **We strongly encourage maximum participation to ensure the best learning opportunity for your child/ren.**

The provision of the scheme ensures that well-resourced learning by our students remains our key focus. The scheme is not a fundraiser for the school. Its purpose is to provide you, the parent, with a cost effective, value for money alternative to purchasing textbooks, resources, consumables and materials not included on the school's book and stationary list, from elsewhere, through reduced prices gained from the school's bulk purchasing processes.

Fees are utilised to buy essential resources and materials used in his/her classroom. Items provided by the scheme are as follows:
